Sunday Morning Worship

Owning Your Faith | 13 July 2025

We are in a series where various church leaders preach on the ways they have witnessed God's Spirit at work in our church family. This week, brother Jason Mok will exhort us on how he has seen God at work forming our church family into authentic faith.

It is said that "God has no grandchildren, only children." Indeed, Jesus calls us all to have a personal relationship with Him, so that we can directly experience His empowering love. As we step into a new chapter of our church family's story, let us invite the Holy Spirit to fall afresh upon us, filling us with a desire to mature in our faith and discipleship to the Lord Jesus.

Recap: Seniors Ministry Talk

On Saturday, 5 July 2025, Spirited Seniors for Christ (Talks Interest Group) hosted a Zoom health talk on “Optimising Bone & Muscle for the Older Adults.” Over 70 church members and friends attended to hear Dr Ng Lee Beng (Senior Consultant at SGH) share about how frailty is an invisible problem creeping up among healthy ageing adults.

Singaporeans are living very long (85 years) and the last 10 years may be marked by poor health due to disabilities caused by poor joints, muscles and bones resulting from falls and fractures.

Frailty (sarcopenia, osteopenia and osteoporosis) can be prevented, delayed or reversed through active lifestyle (exercise) and a healthy diet. Dr Ng shared about healthy diet, nutrition, protein intake (types, amount and distribution) etc.

Next, Exercise Physiologist Mr David Hoi (previously CGH and now UFIT gym clinic) recommended various types of exercises over a 6- month period to combat bone and muscle loss. This was followed by a lively Q&A and a note of thanks to our speakers. We thank our Almighty God, our speakers and organisers for making this talk happen.
