Sunday Morning Worship

The Yoke of Rest | 31 August 2025

We've been exploring the biblical vision of Rest for the past few weeks, and perhaps you've felt that "rest" is another of God's commands that we need to add to our already-overflowing schedules. "Where got time to rest?!"

What if we thought of rest, not as an activity, but as a relationship with Jesus? What if it's not another "thing to do" but a "way" that we go about all things? Imagine doing the very same things you do now, but with a heart that feels deeply rested, recharged, and hopeful. Wouldn't that be wonderful?

Leadership Renewal

In the first half of this year, God revealed His Vision of New Beginnings for the PPCOC family! We are excited for what God is doing here, and how He will appoint and anoint various leaders among us to bring His vision to life!

Our leadership nominations begin today, 31 August. Members may nominate potential leaders by completing a nomination form (available outside the auditorium after the worship service). The closing date for submissions is Sunday, 14 September.

We are praying for leaders who are:

- Servants who lead by serving God (Mark 10:32–44)
- Set Apart and called to a holy purpose (Mark 1:35–39)
- Shepherds who care for others with love and faithfulness (Jn 10:11–18)

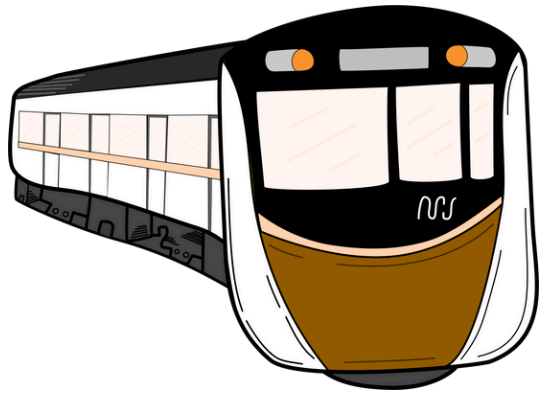

You can join us in discerning God's future leaders by:

- Meditating on the character of Elders and Deacons described in 1 Timothy 3 and Titus 1.
- Looking at our “A People Prepared” worship series from February 2025 (link in nomination form).
- Referring to our Church Constitution (link also in form) for more about the Board's purpose, composition, and roles.

To find out more, please feel free to speak to our ministers or elders.

Ministry Sustainability Workshop

Are you interested in serving God but concerned about how long you can last?

Agape Asia and Flint Global are hosting a special one-day workshop focused on making ministry sustainable. This intensive session is designed for ministry leaders, missions committee members, and those passionate about long-term kingdom impact.

The workshop will cover practical insights on overcoming ministry sustainability challenges, including the "tent-making" mindset for supporting ministry work, essential business skills for ministry leaders, adaptive farming and agriculture approaches, and Agape Asia's proven micro-grant sustainability model. Participants will engage with real case studies and learn practical tools that have been successfully implemented with ministry partners across Asia.

The format includes a small group setting with only 6-7 participants maximum, allowing for interactive discussions and meaningful brainstorming. The day will feature morning and afternoon sessions with breaks, plus optional extended discussion time for those who want to dive deeper into specific areas of interest.

This is an excellent opportunity for our missions committee members and ministry partners to gain valuable insights from experienced practitioners who work with partners throughout Asia.

- When: Saturday, 13 September
- Who: 6-7 participants
- Contact sister Wendy Hong for registration and information
