Sunday Morning Worship

The Quest for Eternal Rest | 7 September 2025

We like to think of “heaven” as a place far in the future, far away from this world and its pains, where we can finally rest from all our burdens. Unfortunately, that means that Rest remains a strange thing in this life; a sad reality we must endure until we “go to heaven”.

The good news is this: Scripture says things are far better. The Rest of heaven is available to us: the book of Hebrews tells us that we can “make every effort” to enter that Rest — today! Amid our busy 21st century lives, Rest is not another “duty” we must add to our overflowing task list, but the choice to trust in the provision of God for everything.

Leadership Renewal

In the first half of this year, God revealed His Vision of New Beginnings for the PPCOC family! We are excited for what God is doing here, and how He will appoint and anoint various leaders among us to bring His vision to life!

Members may nominate potential leaders by completing a nomination form (available outside the auditorium after the worship service). The closing date for submissions is next Sunday, 14 September.

We are praying for leaders who are:

- Servants who lead by serving God (Mark 10:32-44)
- Set Apart and called to a holy purpose (Mark 1:35-39)
- Shepherds who care for others with love and faithfulness (Jn 10:11-18)

You can join us in discerning God's future leaders by:

- Meditating on the character of Elders and Deacons described in 1 Timothy 3 and Titus 1.
- Looking at our "A People Prepared" worship series from February 2025 (link in nomination form).
- Referring to our Church Constitution (link also in form) for more about the Board's purpose, composition, and roles.

To find out more, please feel free to speak to our ministers or elders.

Ministry Sustainability Workshop (13 Sep)

Are you interested in serving God but concerned about how long you can last?

Agape Asia and Flint Global are hosting a special one-day workshop focused on making ministry sustainable. This intensive session is designed for ministry leaders, missions committee members, and those passionate about long-term kingdom impact.

The workshop will cover practical insights on overcoming ministry sustainability challenges, including the "tent-making" mindset for supporting ministry work, essential business skills for ministry leaders, adaptive farming and agriculture approaches, and Agape Asia's proven micro-grant sustainability model. Participants will engage with real case studies and learn practical tools that have been successfully implemented with ministry partners across Asia.

The format includes a small group setting with only 6-7 participants maximum, allowing for interactive discussions and meaningful brainstorming. The day will feature morning and afternoon sessions with breaks, plus optional extended discussion time for those who want to dive deeper into specific areas of interest.

This is an excellent opportunity for our missions committee members and ministry partners to gain valuable insights from experienced practitioners who work with partners throughout Asia.

- When: Saturday, 13 September
- Who: 6-7 participants
- Contact sister Wendy Hong for registration and information

LASTING POWER OF ATTORNEY

A Lasting Power of Attorney (LPA) allows individuals (21+ years old with mental capacity) to plan for future decision-making in case they become incapacitated due to illness or injury. It enables appointed persons to manage personal welfare, property, and finances on their behalf, avoiding the need for costly court proceedings.
