Sunday Morning Worship

Changed For New Beginnings | 14 September 2025

“How to Win Friends and Influence People” was written almost a century ago and still remains one of the world’s bestselling books. That’s not a surprise - everyone wants to be well-liked and influential no matter what era we live in. Books, self-help gurus, and now webinars abound that promise us better lives through simple changes (perhaps for a small fee!)

Jesus also promises to change us, but not so that we can get ahead in the world and be rich, honoured, and successful. Jesus changes us so that we can participate in something far greater: the mission of God that changes the whole world.

Do you long to be a part of that something greater? Are you tired of the way things are and hunger to see the people around you transformed? It begins when we fall on our knees and let Jesus change us.

The Season of Missions

PPCOC has always had a strong tradition of being a missional people. Every year, we dedicate a series to preaching on the mission of God in the world so that we can participate in what God is doing. We share updates and testimonies from our mission partners so that we can celebrate with them and pray for them.

This year, we continue this legacy with some familiar traditions and some new additions!

Mission Partners

Every Sunday from today to 19 October, we will hear a short message from our Mission partners, sharing how they see New Beginnings in their ministries. We will also have a write-up in our newsletter with updates on their mission fields. Let us behold that God's kingdom is truly greater than we could ever imagine!

Missions Wall in Room 302

Room 302 is now the host to various tokens of God's mission in and through PPCOC! From the famous quilt from the Quail Springs Church of Christ during our 50th Anniversary to the gifts given at our 60th Anniversary, may these symbols remind us of our heritage in God's mission! Drop by Room 302 and have a look!

Missions Sunday Target: \$122k

On Sunday, 19 October, we will take up a special collection that serves God's mission in the world by supporting our mission partners and funding mission teams from PP to share God's Word around the world. Take some time to pray to set aside an amount for this special collection!

Mission Partner Spotlight

Batam, Indonesia

Herbin Simanjuntak

Herbin Simanjuntak, full-time Minister at Batam Church of Christ and Dean of a school in Batam, Indonesia, has partnered with PP Church of Christ since 1992, alongside the late Winston Bolt. Beyond his congregational duties, Herbin is involved in missions across Indonesia, focusing on church planting and discipleship. He collaborates with MRN, PPCOC, and American churches. Despite his wife Darlina's illness, he remains committed to his ministry, finding fulfillment through his partnership with PP in serving the Kingdom of God.

What they are celebrating:

"One thing that was very exciting was how God helped us in our struggle to complete our studies and final exams at Batam Bible College, table green court and graduation for the students. All was going very well which made every one happy."

How we can pray for them:

"Our work now is huge and our budget continues to grow due to the current global economic downturn. We ask for prayers that we and God's work in Indonesia will survive and have progress and also the sponsorship will continue to support both school and mission works so we can continue to move forward."

Leadership Renewal

In the first half of this year, God revealed His Vision of New Beginnings for the PPCOC family! We are excited for what God is doing here, and how He will appoint and anoint various leaders among us to bring His vision to life!

Members may nominate potential leaders by completing a nomination form (available outside the auditorium after the worship service). This Sunday, 14 September, is the LAST DAY for submissions.

We are praying for leaders who are:

- Servants who lead by serving God (Mark 10:32-44)
- Set Apart and called to a holy purpose (Mark 1:35-39)
- Shepherds who care for others with love and faithfulness (Jn 10:11-18)

You can join us in discerning God's future leaders by:

- Meditating on the character of Elders and Deacons described in 1 Timothy 3 and Titus 1.
- Looking at our "A People Prepared" worship series from February 2025 (link in nomination form).
- Referring to our Church Constitution (link also in form) for more about the Board's purpose, composition, and roles.

To find out more, please feel free to speak to our ministers or elders.

GEMS Ministry: Children's Day Celebration

Here at PPCOC, we believe that God's goodness is powerfully and specially present in our youngest members. Children reveal the goodness of God like none others, and we seek to instill in them the truth that God has called them to be the light of the world and show others the Lord Jesus through their lives.

On the Sunday of Children's Day, our children will be involved in singing, craftwork and games. There will also be a short lesson on being the light of the world. They will also be given finger food and snacks.

We believe that this event is an occasion for table-spreading and being missional, as our young children can learn to fellowship with one another and visitors' children as well.

If you are inviting other children to this special day, please inform the respective teachers that you're inviting friends so that we can spread the Table for them as well.

TTSH Visitation: Singers Wanted!

Here at PPCOC, we believe in a Restorative God who brings healing to those who are sick and joy to the brokenhearted! On 13 December, PPCOC will be partnering with Tan Tok Seng Hospital for a singing outreach to patients in view of the Christmas season.

Participants will be divided into groups of 10 to visit the various wards to spread festive joy and good cheer. Being bilingual helps a lot!

Brother Dennis and sister Mee Geok are looking for members who are willing to join monthly singing practices in October, November and December and learn various Christian hymns and Christmas classics. You can register your interest at bit.ly/TTSHChristmas or approach brother Dennis and sister Mee Geok for more information.

Staff on Leave and Work Trips

Over the next few weeks, our staff will be taking turns to go on leave and work trips, spend time resting, and to attend conferences and training seminars. We believe that God has called us to live in healthy rhythms of work and rest and we thank you for your support as our staff attend to this important aspect of their lives.

Please find the dates of leave/overseas work trips for each of the staff. For any matters that require their attention, please inform them the Tuesday before their leave begins where possible.

For other matters that arise during their leave, please approach Lead Minister Irvin Wan or Acting Lead Minister Kyle Hooper.

LASTING POWER OF ATTORNEY

A Lasting Power of Attorney (LPA) allows individuals (21+ years old with mental capacity) to plan for future decision-making in case they become incapacitated due to illness or injury. It enables appointed persons to manage personal welfare, property, and finances on their behalf, avoiding the need for costly court proceedings.
